

ASTUDIAETH ACHOS

PA LWYBR Y GALLWN NI EI DDATBLYGU?

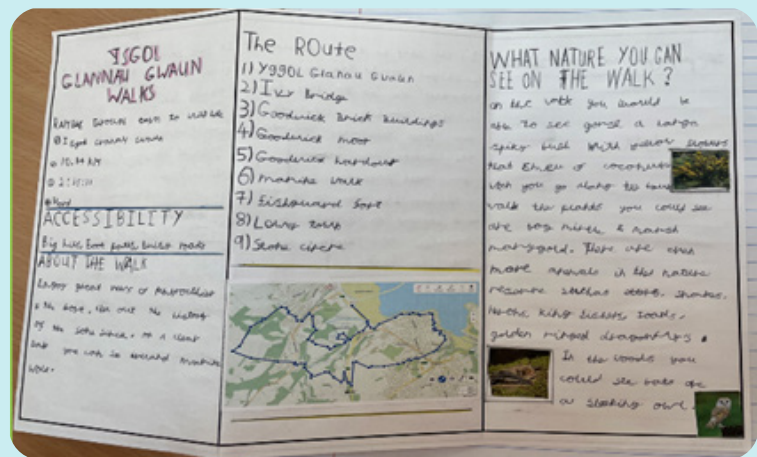

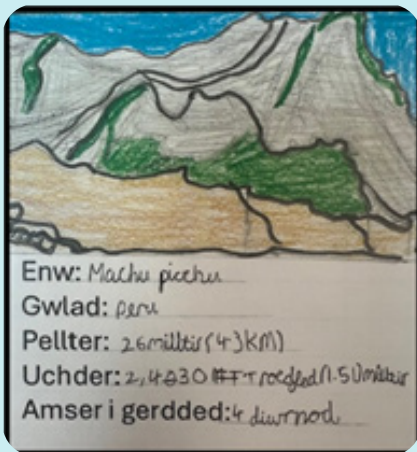

Archwiliodd dysgwyr Blynyddoedd 4, 5 a 6 y gweithgaredd hwn yn yr ysgol. Roedd pob dysgwr yn gweithio o fewn Cam cynnydd 3.

Cynhyrchodd y dysgwyr Lwybr Natur o amgylch Abergwaun ac Wdig. Buont yn gweithio ar fesurau ac amcangyfrif, fel y gallent sicrhau bod y pellteroedd yn eu taflen derfynol yn fanwl gywir. Hefyd, bu'r dysgwyr yn ymchwilio i blanhigion ac anifeiliaid y gellid dod o hyd iddynt ar hyd eu llwybr, gan ddefnyddio canllawiau adnabod i ychwanegu at eu gwybodaeth.

Bu dysgwyr eraill yn datblygu Llwybr Hanesyddol yn Abergwaun, gan ymchwilio i'w hardal leol er mwyn penderfynu ar y manau hanesyddol y gellid eu cynnwys ar eu llwybr.

Bu'r dysgwyr yn astudio mesurau a chodiad tir, gan ymestyn y gweithgaredd i edrych ar lwybrau enwog mewn gwahanol wledydd.

Datblygwyd Llwybr Sgwteri, gan ddechrau yn Llyfrgell bergwaun. Wedi i rieni a gofalwyr roi cynnig ar y llwybr, gweithredwyd ar unrhyw adborth a dderbyniwyd er mwyn gwella'r llwybr a'r daflen wybodaeth am y llwybr. Argraffwyd y daflen wybodaeth orffenedig a'i chadw yn y llyfrgell, lle cynhaliwyd cystadleuaeth i ennill sgwter.
